Dear Parents and Guardians,

Browning Public Schools offers a remote learning option for students in grades 6–12 through a program called **Edgenuity**.

What is Edgenuity?
Edgenuity is a fully accredited, online learning platform that delivers a comprehensive K–12 curriculum aligned with state standards. Students can study core subjects like math, science, language arts, and social studies, along with a wide range of electives, Advanced Placement (AP) courses, and career-focused classes. The platform features interactive lessons that are paced to meet individual student needs and can be accessed from anywhere with an internet connection.

Our program is designed for students in grades 6–12, while Edgenuity provides the structure, support, and academic rigor our online educator provides online support in the Google classroom. This program is offered **at no cost** to families when students are enrolled through Browning Public Schools.

As an enrolled student at Browning Public Schools, your child will receive:

- Online academic support
- Progress monitoring and assessments
- In-person or Online counseling and social-emotional learning services
- Access to extra curricular activities ie. sports and clubs

Why Choose BPS Edgenuity for Homeschooling?
Edgenuity gives homeschooling families the flexibility of learning from home while maintaining the structure, and accountability of a public school education. We are also a resource for support academically, emotionally and socially. When it comes to our students at BPS we are inclusive of all student needs.

If you are interested in enrolling your child in this program, please contact Jennifer LaFromboise-Wagner at **(406) 338-2715 ext. 4208** or via email at **jenniferl@bps.k12.mt.us**.
